THE BOARD OF TRUSTEES FOR THE IMPROVEMENT OF CALCUTTA.

Notice under section 63 (5) of Bengal Act V of 1911 as amended by Bengal Act III of 1915.

NOTICE is hereby given that the Board of Trustees for the Improvement of Calcutta has applied to the Local Government for sanction to the plan of a Proposed Public Street No. V (Royal Exchange Place to Circular Road), which was originally notified in the issue of the *Calcutta Gazette* of the 23rd February 1916.

C. H. BOMPAS, *Chairman.*

The 8th September 1916.

THE BOARD OF TRUSTEES FOR THE IMPROVEMENT OF CALCUTTA.

Notice under section 43 of Bengal Act V of 1911.

THE Board of Trustees for the Improvement of Calcutta hereby give notice that a General Improvement Scheme described as Scheme No. IC has been framed for the area bounded as follows:—

On the North—By a line from a point on the north-east corner of premises No. 47, Ram Mohun Ghose Lane, running westward along the northern boundaries of premises Nos. 47, 48, 48-1, Ram Mohun Ghose Lane and 33 and 35, Ismail Madan Lane, the east side and across Ismail Madan Lane, the eastern, northern and western boundaries of premises Nos. 11, 12, 13, Ismail Madan Lane, the portion of the western boundaries of premises No. 14, Ismail Madan Lane, the northern boundaries of premises Nos. 79, Kalutola Street and 3-1, Ismail Madan Lane including its private passage on north, across and along the west side of a passage leading to premises No. 2, Ismail Madan Lane, the northern boundary of premises No. 38-2, Lower Chitpore Road to a point in a straight line on the centre of Lower Chitpore Road.

On the West—By a line from the above point running southward along the centre line of Lower Chitpore Road to the intersecting point of the centre lines of Kalutola Street and Lower Chitpore Road.

On the south—By a line from the above point running eastward in a straight line along the centre line of Kalutola Street to a point on the above line opposite the east side of Ratu Sarkar Lane.

On the East—By a line from the above point running northward along the east side of Ratu Sarkar lane, across it, the eastern boundaries of premises Nos. 50, Ratu Sarkar Lane and 51, Ram Mohun Ghose Lane, across and along a passage off Ram Mohun Ghose Lane, to the starting point along the eastern boundary of premises No. 47, Ram Mohun Ghose Lane.

Particulars of the Scheme, a map of the area comprised in the Scheme, and a statement of properties which it is proposed to acquire may be seen at the offices of the Trust, 5, Clive Street, on week days between the hours of 11 A.M. and 4 P.M. (on Saturdays between [illegible] and 2 P.M.)

The alteration is made in consequence of the Improvement Trust having approved of a plan of a Proposed Public Street 84 feet wide running from a point south of the Roman Catholic Cathedral to Chitpore Road opposite Tarachand Dutt Street. The Branch Road in Improvement Scheme No. VII known as the Chitpore Spur has also been re-aligned so as to meet Harrison Road opposite the road under construction in Improvement Scheme No. IA. The road in Improvement Scheme No. IA will also be widened to 84 feet; the re-alignment proposed not only does less damage to property and avoids interference with the Jaina Temple at No. 82, Chitpore Road, but also avoids adding further congestion to the traffic at the crossing of Chitpore Road and Harrison Road, which would have resulted if the Chitpore Spur in Improvement Scheme No. VII and the road shewn in the original plan of the Proposed Public Street No IV had been adopted.

The estimated cost of acquiring the additional land is—

Gross	...	...	...	6¼ lakhs.
Net	...	...	...	½ lakh.

The Engineering estimates amount to Rs. 32,655 against Rs. 11,179, the estimated cost of the narrower Road.

C. H. BOMPAS, *Chairman.*

1st September 1916.

ALTERATION OF IMPROVEMENT SCHEME No. I (SURTIBAGAN).

Notice under Section 50 of Bengal Act V of 1911.

NOTICE is hereby given that the Board of Trustees for the Improvement of Calcutta proposes to alter the above scheme so as to make Tarachand Dutt Street 84 feet wide instead of 45 feet wide for a length of about 440 feet east of Chitpore Road. This will involve the acquisition of the following additional properties:—

Chitpore Road, Lower	...	63, 64, 64/1, 64/2, 65, 65/7, 65/8.
Ram Prosad Shah Lane	...	6, 7, 9, 10, 23/1, 24, 25, 27.
Tarachand Dutt Street	...	45, 48 and 49.

A plan of the proposed alteration and a copy of this notice may be seen at the offices of the Trust, 5, Clive Street, during office hours.

The alteration is made in consequence of the Improvement Trust having approved of a plan of a Proposed Public Street 84 feet wide running from a point south of the Roman Catholic Cathedral to Chitpore Road opposite Tarachand Dutt Street. The branch road in Improvement Scheme No. VII known as the Chitpore Spur has also been re-aligned so as to meet Harrison Road opposite the road under construction in Improvement Scheme No. IA. The road in Improvement Scheme No. IA will also be widened to 84 feet; the re-alignment proposed not only does less damage to property and avoids interference with the Jaina Temple at No. 82, Chitpore Road, but also avoids adding further congestion to the traffic at the crossing of Chitpore Road and Harrison Road, which would have resulted if the Chitpore Spur in Improvement Scheme No. VII and the road shewn in the original plan of the Proposed Public Street No. IV had been adopted.

The estimated cost of the proposed alteration is—

Land Gross	...	...	...	...	4¾ lakhs.
Recovery	...	...	...	...	4½ ,,
Net	...	...	...	...	¼ lakh.

The Engineering estimate is Rs. 55,847, being Rs. 26,867 in excess of the original estimate already sanctioned

General Letter No. 11.

To

THE DISTRICT AND SESSIONS JUDGE / DISTRICT MAGISTRATE / DEPUTY COMMISSIONER OF

Calcutta, the 18th September 1916.

HIGH COURT: ENGLISH DEPARTMENT: *Civil.* / *Criminal.*

SIR,

IT has been brought to the notice of the High Court that inconvenience is entailed on European litigants in the mufassal owing to the practice obtaining in some courts of issuing processes to them in the vernacular only. As summonses and other forms in connection with civil and criminal cases are printed in English as well as in the vernaculars, the omission to use the English version in the case of Europeans seems to the Judges to indicate a lack of thought and intelligence on the part of the issuing courts.

2. The Judges accordingly direct that processes to Europeans, of which English versions have been prescribed by the High Court,* should invariably be issued in that language; and I am to request that you will be so good as to see that these instructions are strictly complied with in your district.

I have the honour to be,

SIR,

Your most obedient servant,

H. M. VEITCH,
Registrar.
